

# Do you want to be part of SOMETHING BIG!

2018 marks the 100 years since women were able to vote. Make your mark and help us create a banner celebrating the achievements of Tameside's women past and present. Here is a chance for you or your group to work with leading textile artist Lynn Settingington on the project 'Radical locks'.

Participants will make 'Suffolk puffs' – which will then be sown together to create the art piece that will be displayed in Tameside.

 **Tameside**  
Metropolitan Borough
